DREAMHOME
REAL ESTATE WEBSITE

VISUAL WEBSITE PREVIEW & PAGE-BY-PAGE DESIGN REPORT

Project: DreamHome – Real Estate Website

Submitted to: KIET Group of Institutions, Ghaziabad

Programme: B.Tech – Information Technology **Section:** IT-A

Student: Ayushi Kumari

About this document

This report presents a clear visual preview of all eight pages in the DreamHome website. Each page preview shows the intended page structure, property imagery style, navigation, typography, colours, cards, forms and key interface elements. The layout is based on the uploaded HTML and CSS source files. The visuals are design previews, not live-browser screenshots.

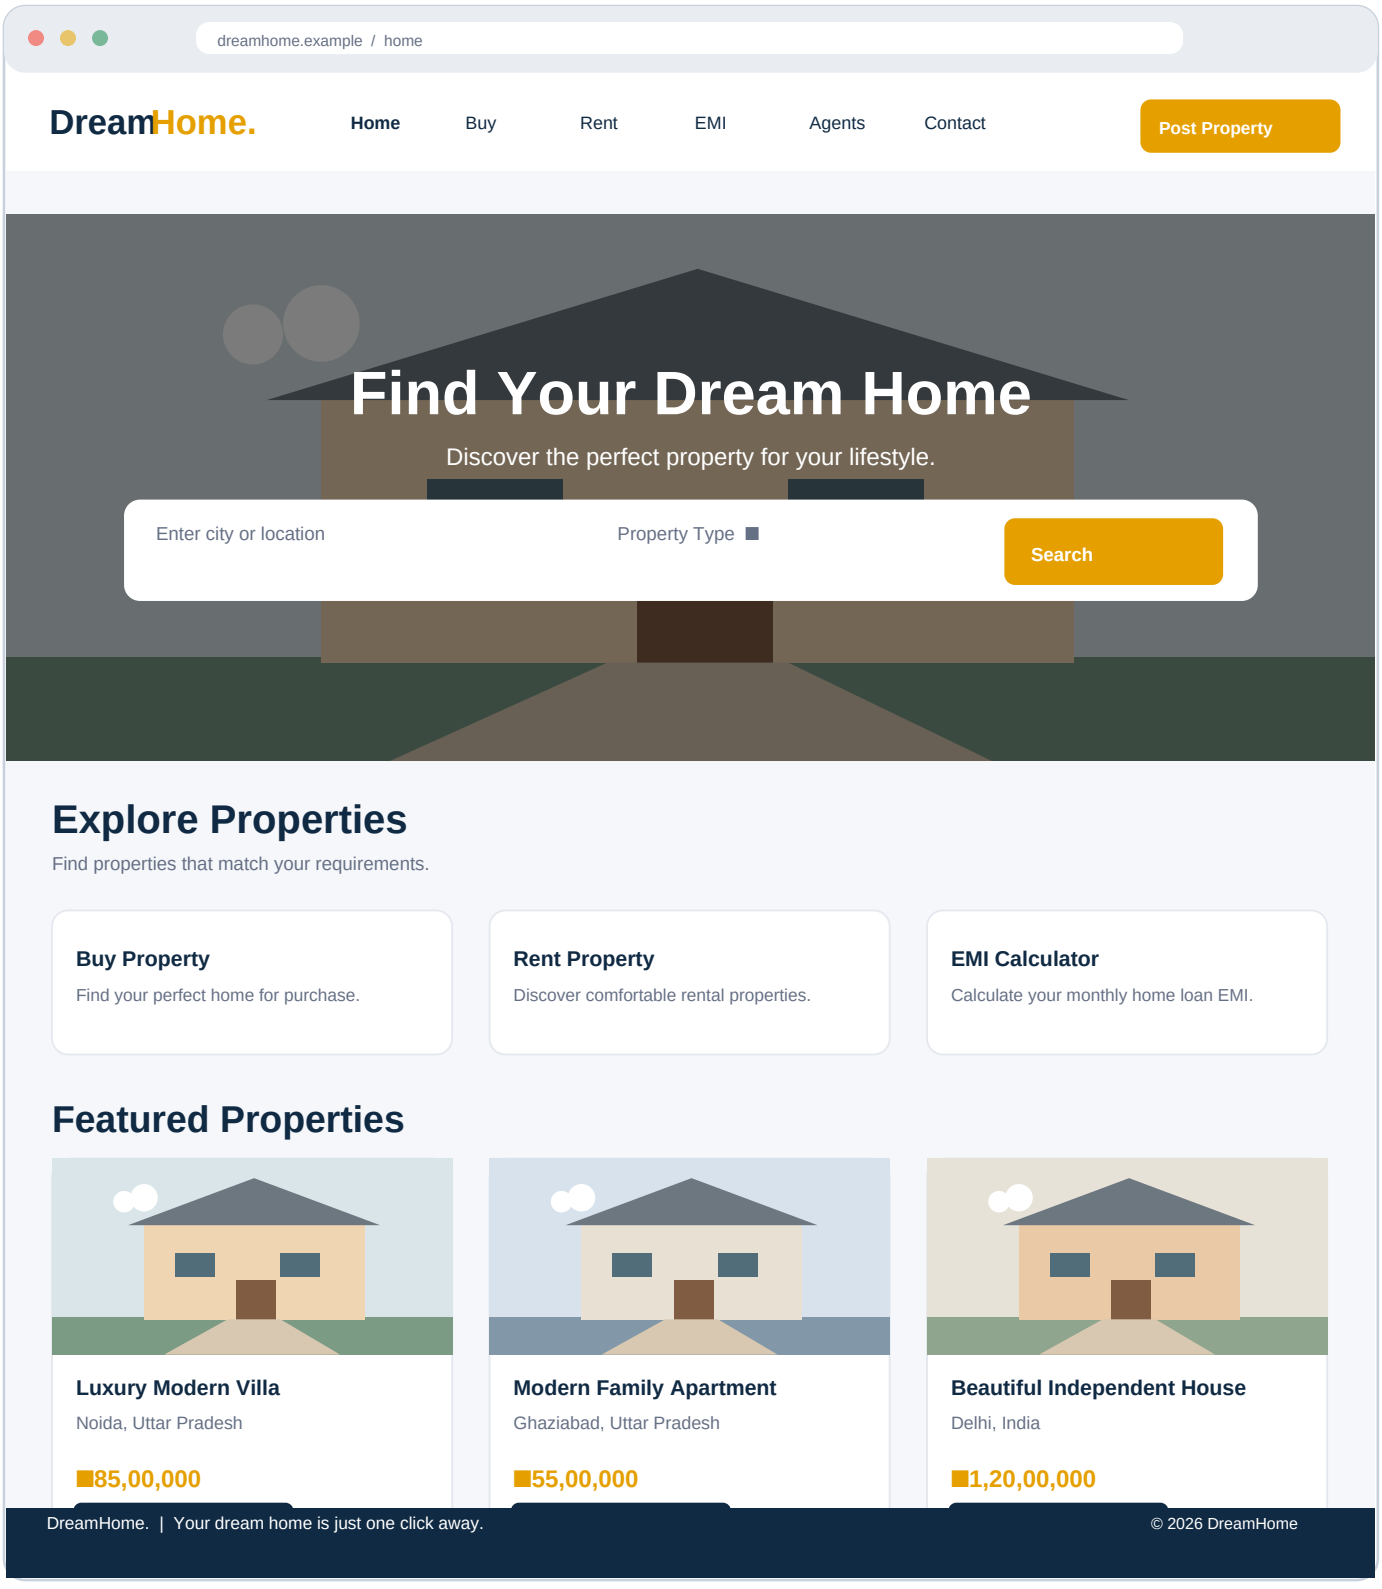

Visual design system

Primary navy: #102A43 | Accent gold: #E5A000 | Page background: #F5F7FA | Main text: #222222

Typography: Segoe UI with Arial/sans-serif fallback. White navigation bar, rounded white content cards, soft shadows/borders, navy headings and gold action buttons.

1. Home page

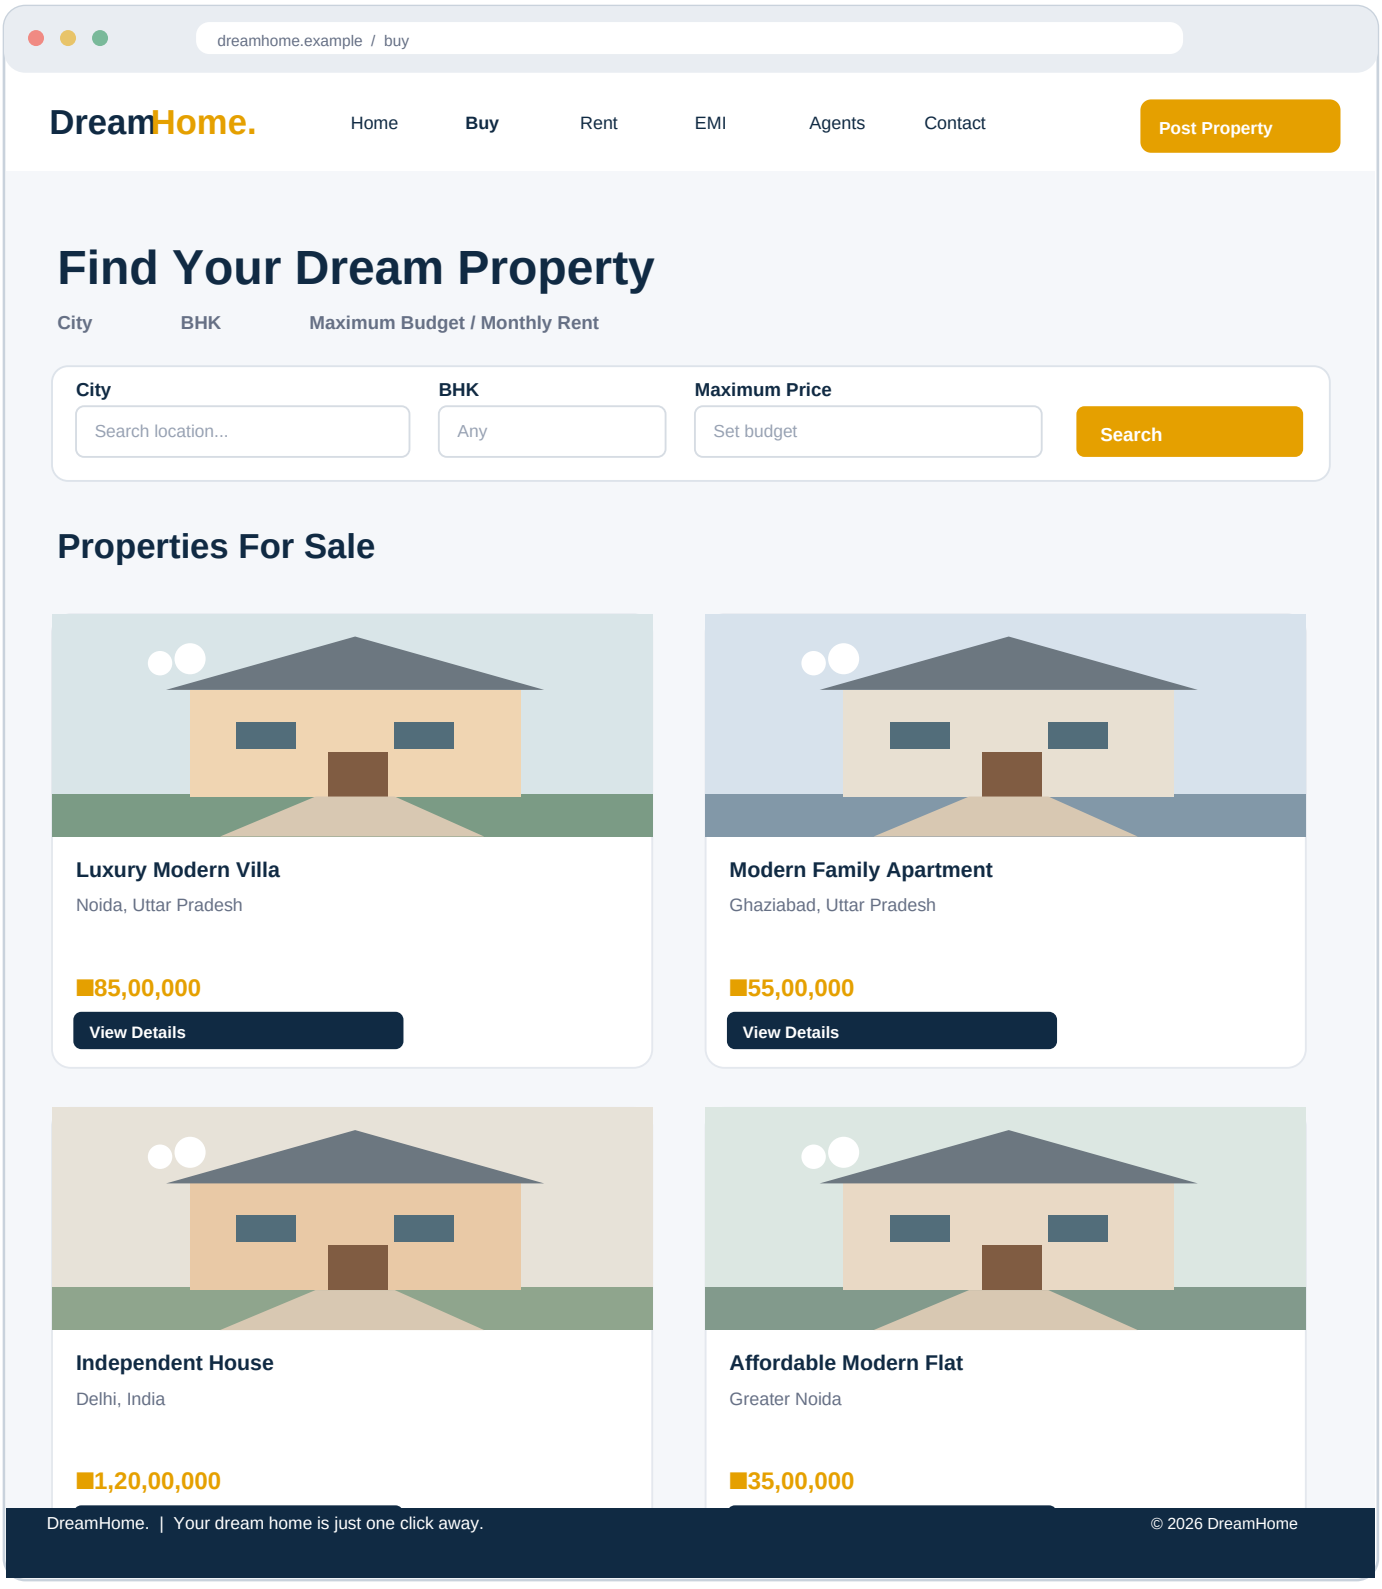

Hero banner with a property visual, headline, location search, service cards and three featured property cards.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

2. Buy properties

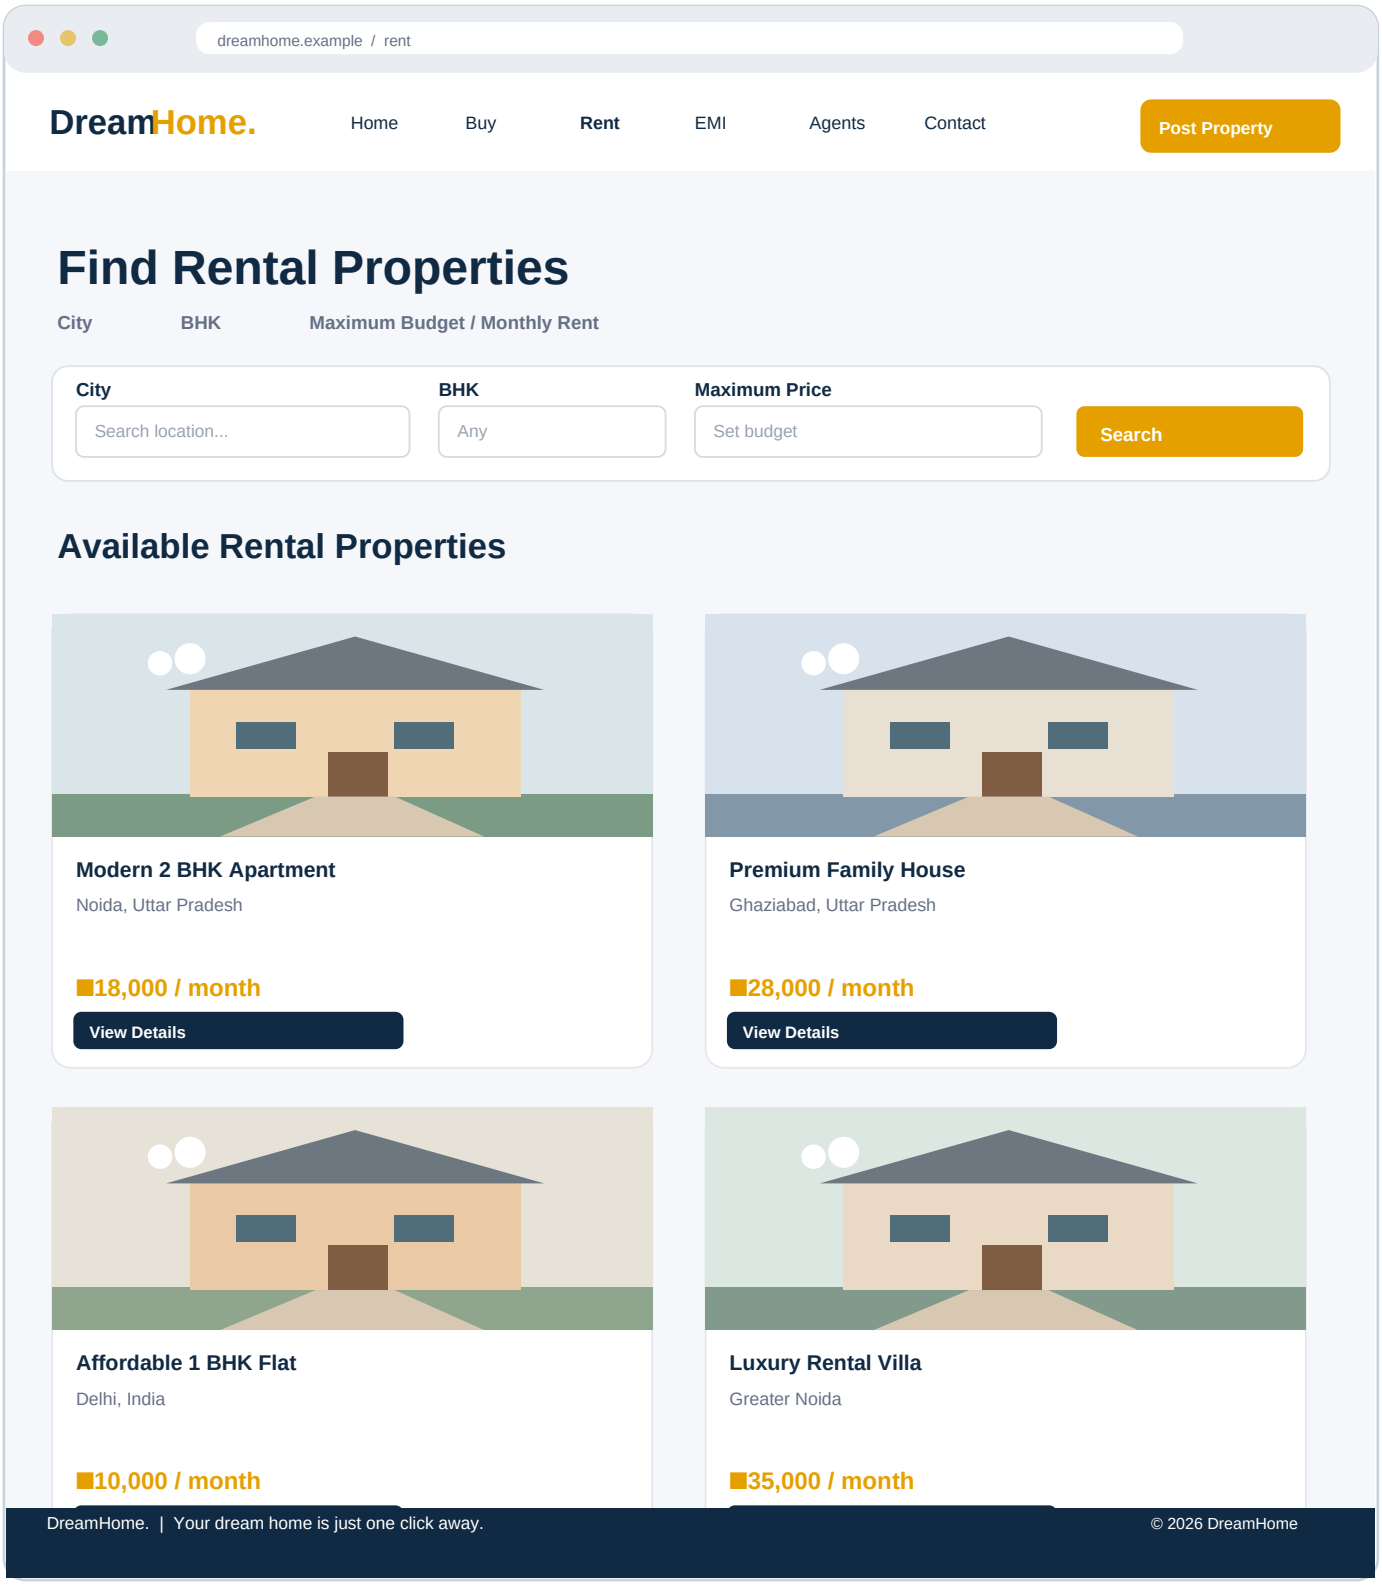

Search/filter panel followed by sale-property cards with image areas, location, price and detail actions.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

3. Rent properties

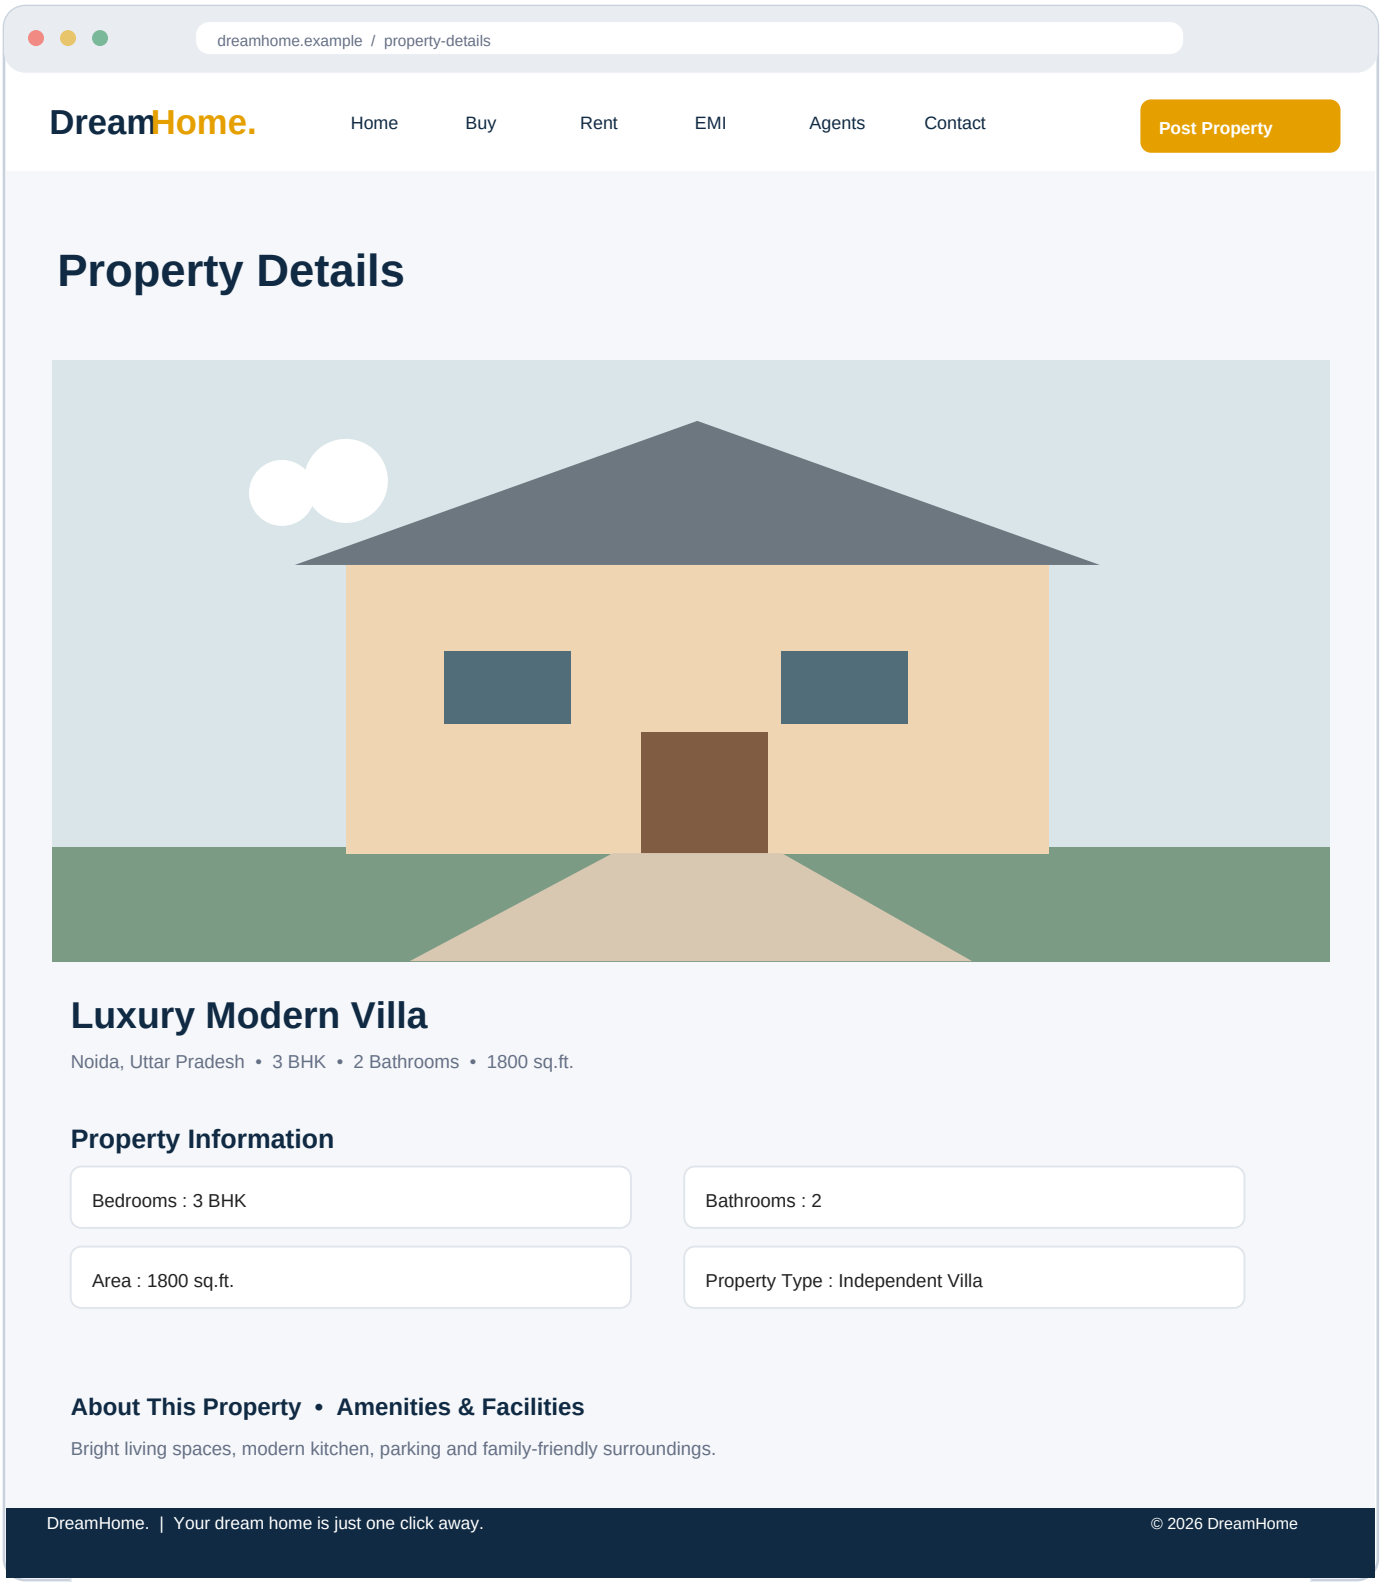

Rental listing page with city, BHK and monthly-rent filters and rental property cards.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

4. Property details

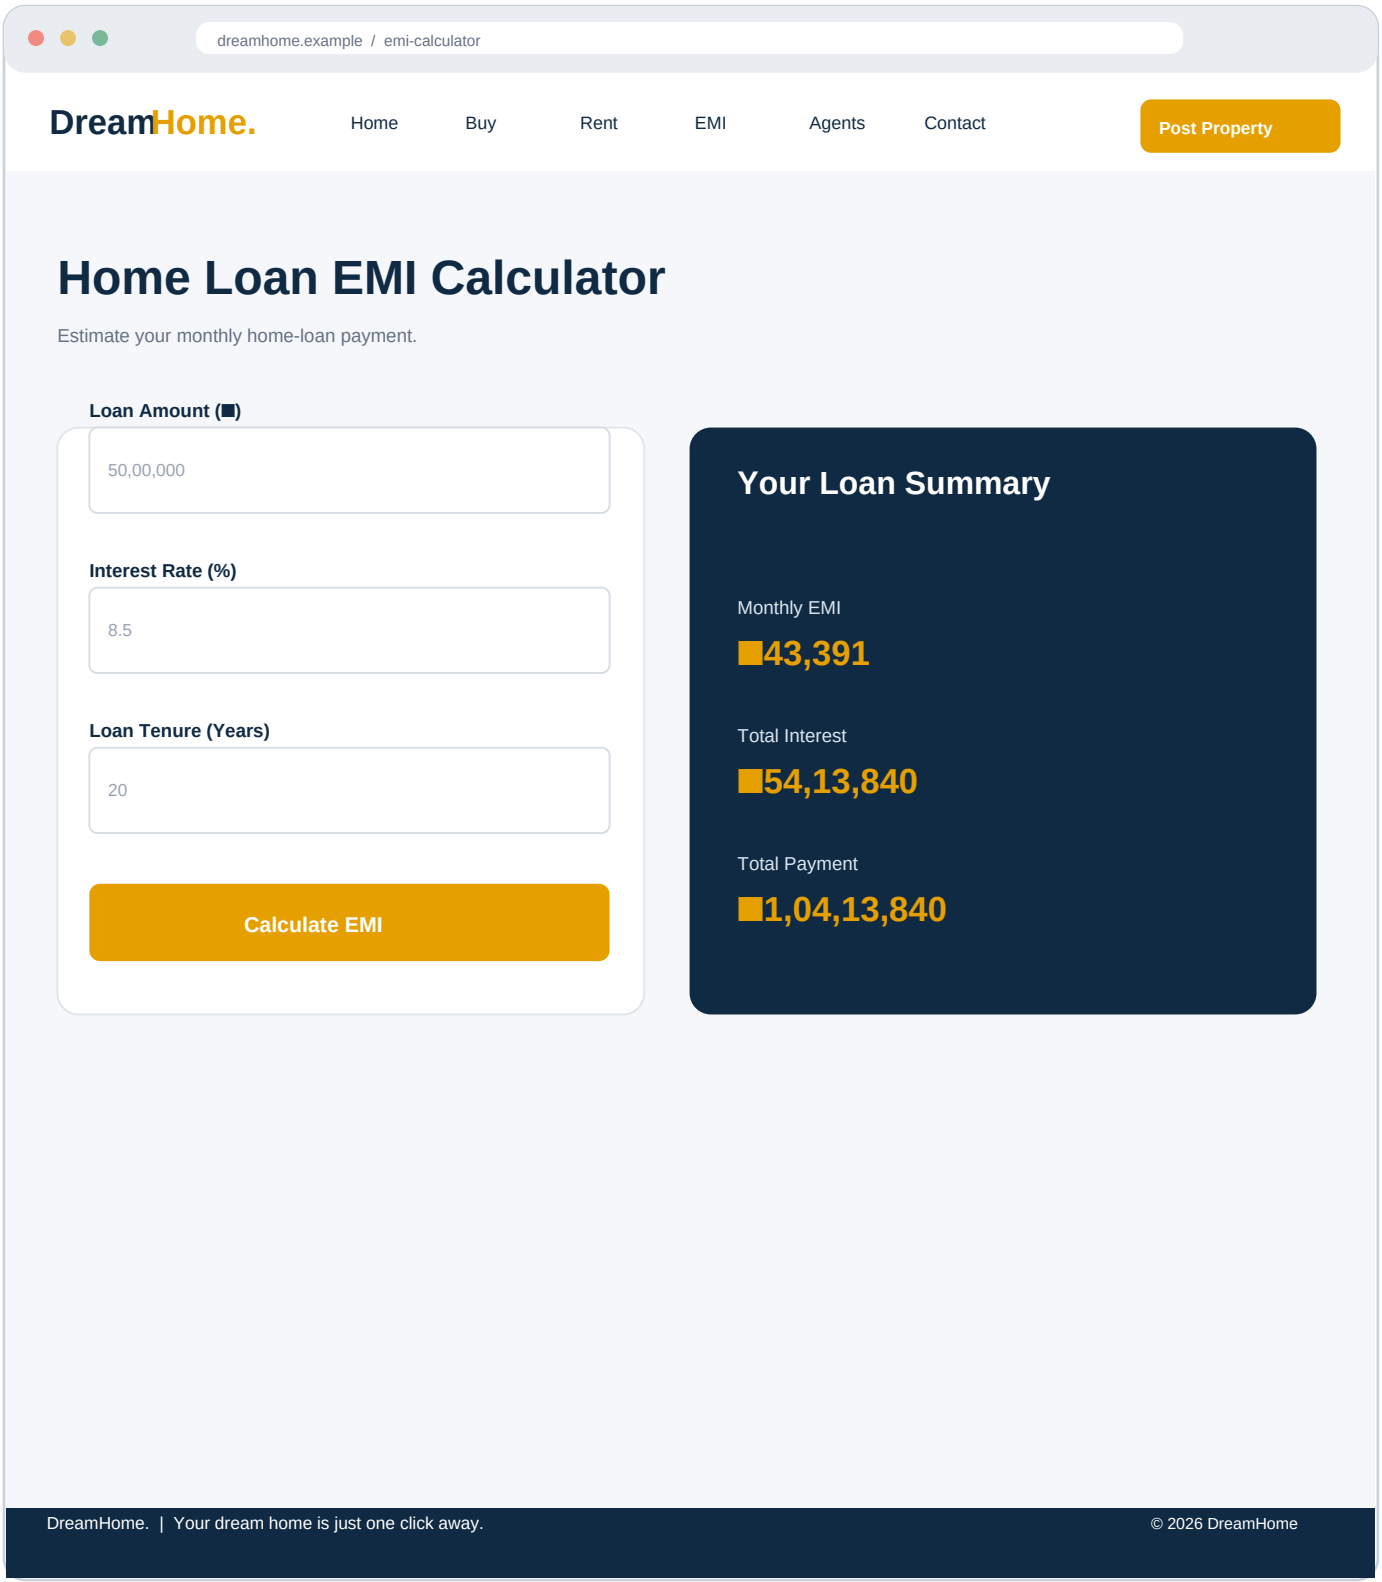

Large property image, title, location, BHK/bathroom/area facts, description, amenities and enquiry panel.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

5. EMI calculator

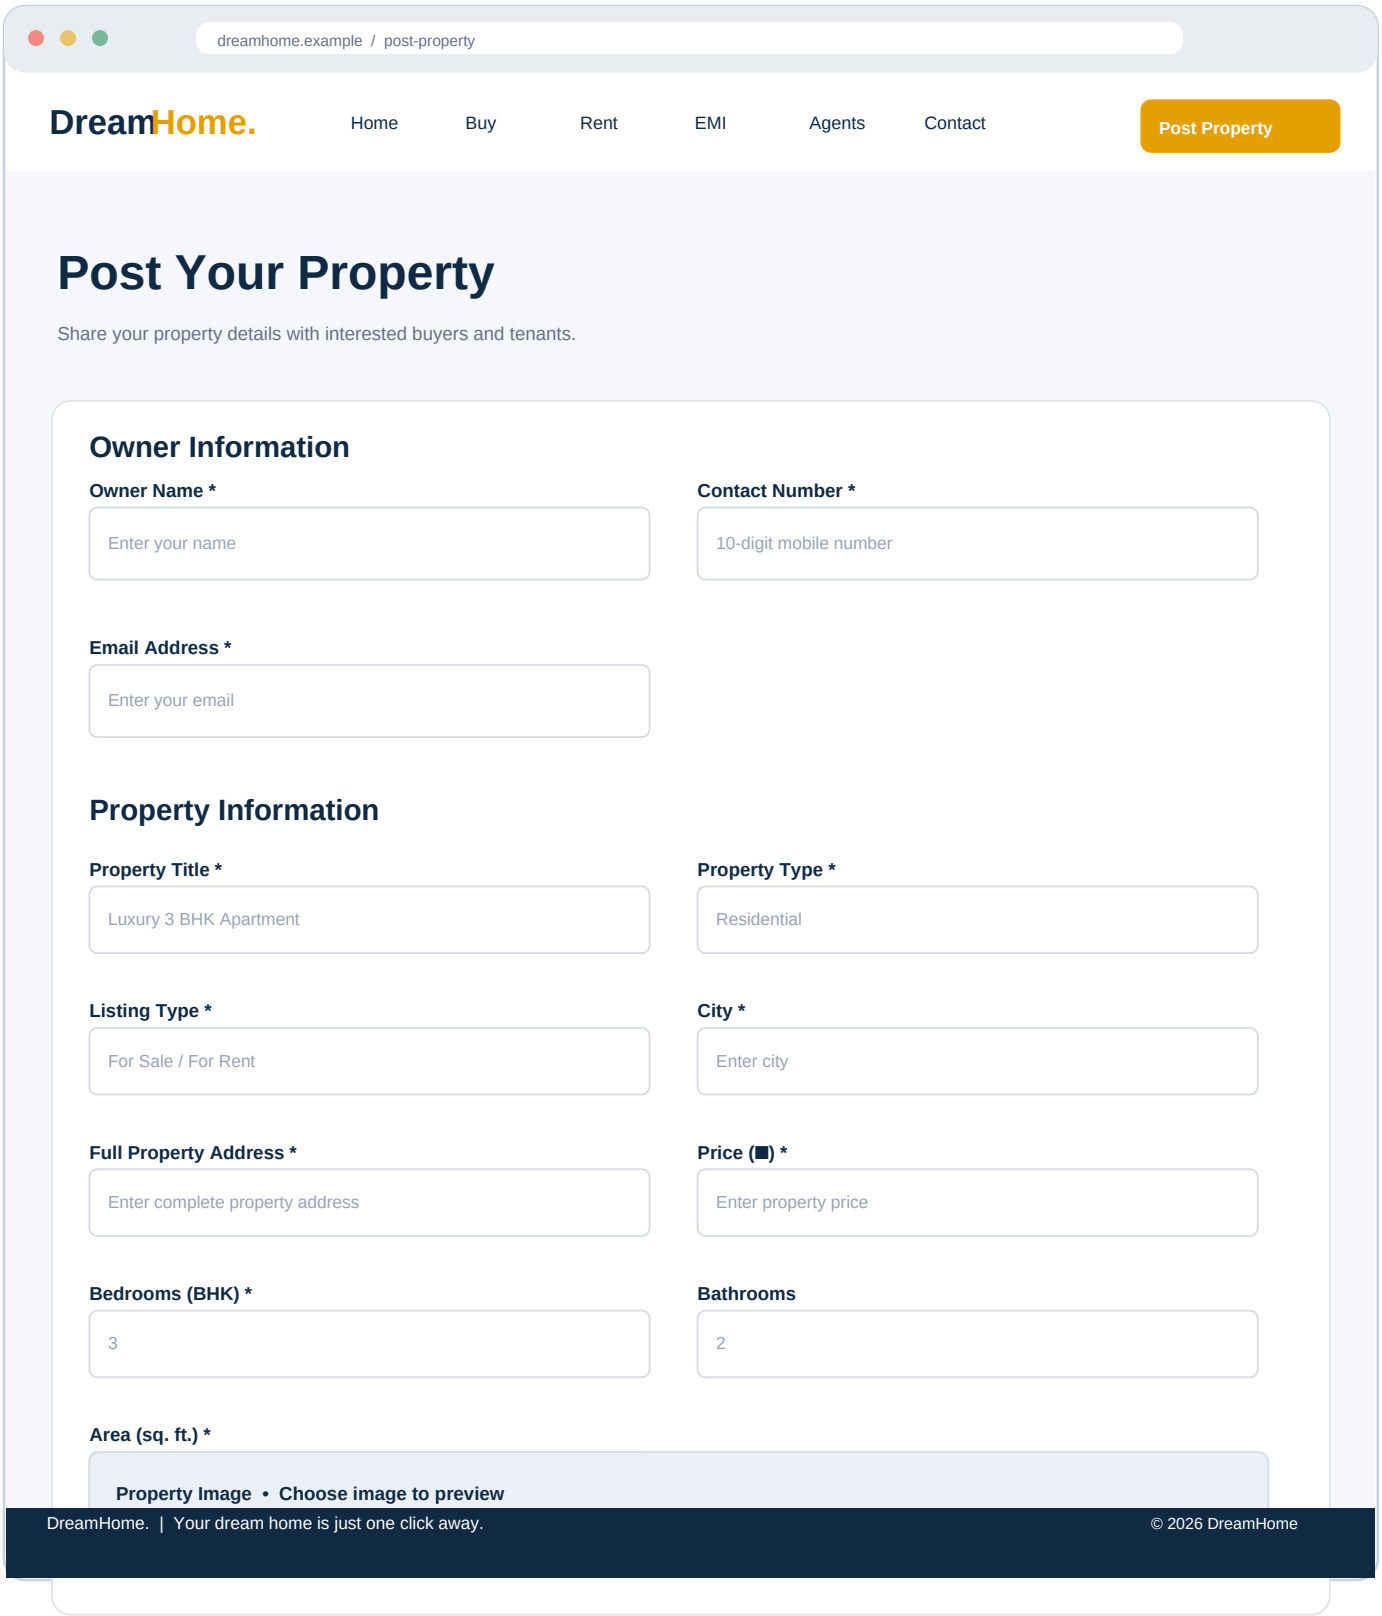

Loan amount, interest rate and tenure inputs beside a highlighted loan-summary panel.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

6. Post property

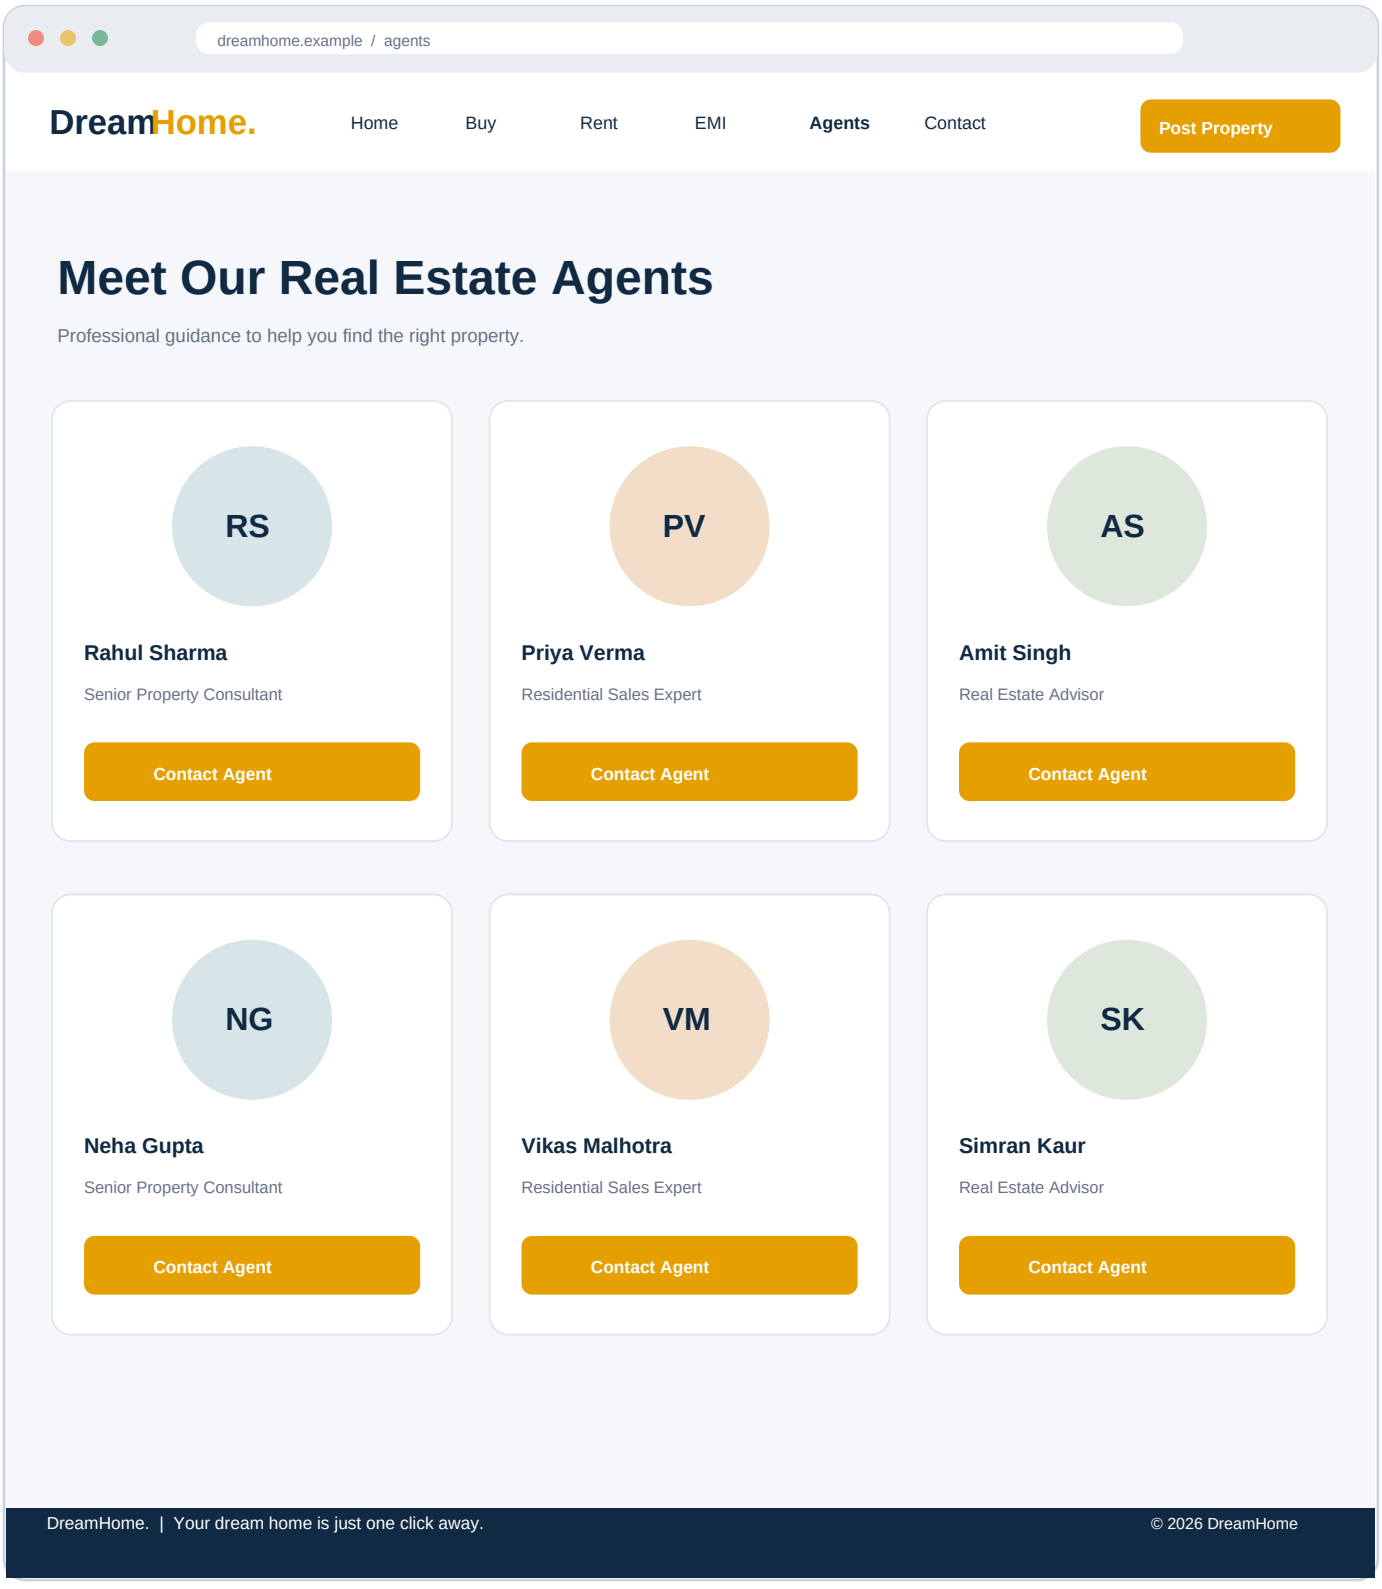

Owner information and property information form, with a property-image selection/preview area.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

7. Agents

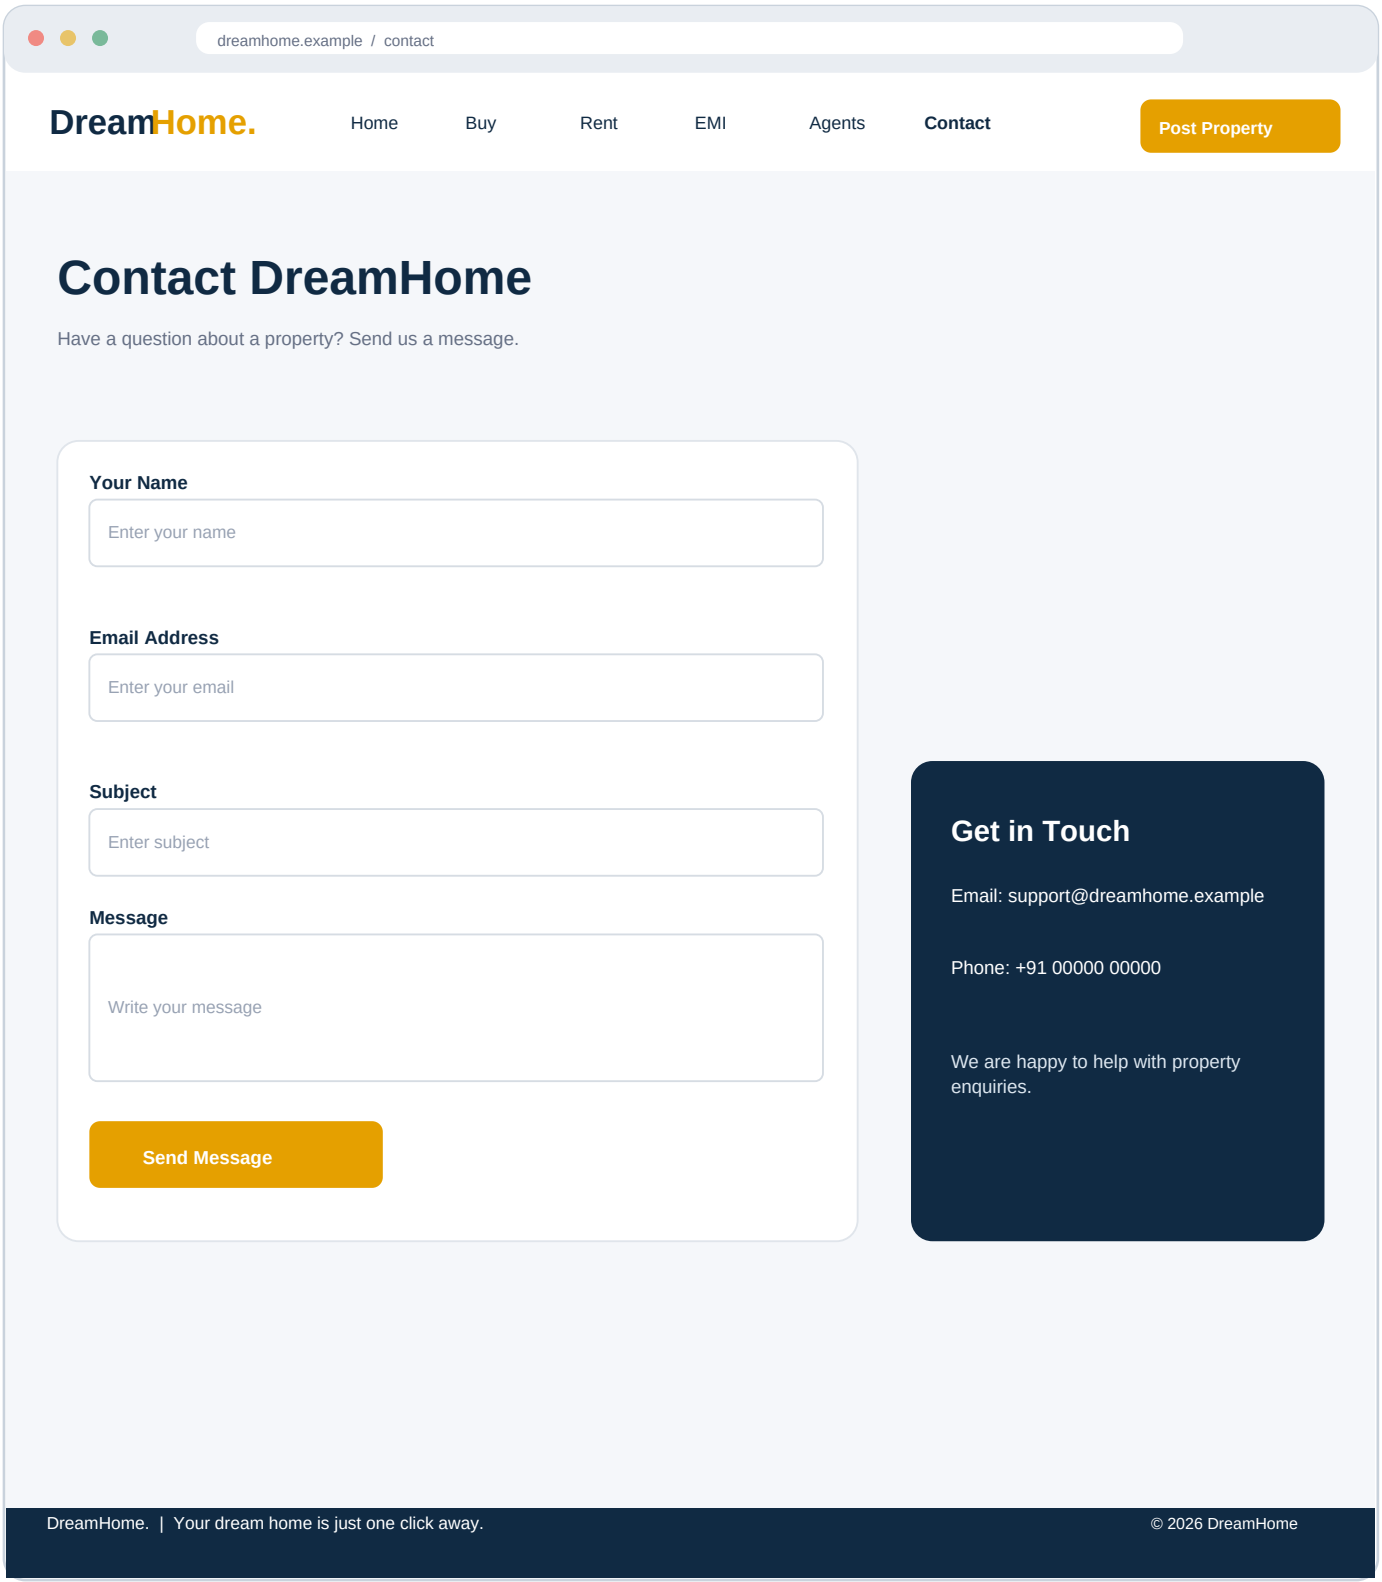

Agent profile cards with circular profile placeholders, names, role descriptions and contact buttons.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.

8. Contact

Contact form with name, email, subject and message fields alongside email/phone information.

Design details: Segoe UI / sans-serif typography; navy #102A43 headings and navigation; gold #E5A000 buttons and price highlights; light grey #F5F7FA page background; white cards with subtle borders; property thumbnails illustrated in a consistent residential-real-estate style.
